

BREIZH, privacy policy

At BREIZH.pl, accessible from <https://breizh.pl>, one of our main priorities is the privacy of our visitors.

This Privacy Policy document contains types of information that is collected and recorded by BREIZH.pl and how we use it.

If you have additional questions or require more information about our Privacy Policy, do not hesitate to contact us at rdebure@gmail.com.

Who we are

BREIZH is the French restaurant (food hall) located in The Park Warsaw office building in Warsaw, close to the Chopin airport and the city center managed by Justyna & Rodolph de Bure under the umbrella of Justyna de Bure Marketing & PR company [ul. Żurawia 21,05-503 Głusków]. Every day we propose a new menu, prepared on the basis of fresh, high-quality products from France and local suppliers. We also offer catering services for individuals and companies.

Consent

By using our website, you hereby consent to our Privacy Policy and agree to its terms.

How do we collect information from you?

We collect information from you in the following ways:

- through our website, including forms and cookies (please refer to the relevant cookie notice for further details)
- email, post, and mail correspondence with us
- contact via phone
- our social media channels
- application and request forms by post
- in-person contacts
- information we gathered via events, and
- information we receive from external third parties.

Each time we collect personal data from you we will include a link to this privacy policy so you understand how your data might be used. We will also give you the opportunity to opt in or out of certain data used by us.

How you send information to us is your choice but please be aware that some methods are not secure. If you are unsure how you should send confidential data to us please contact us and we may be able to help you.

What information do we collect?

The personal information that you are asked to provide, and the reasons why you are asked to provide it, will be made clear to you at the point we ask you to provide your personal information.

If you contact us directly, we may receive additional information about you such as your name, email address, phone number, the contents of the message and/or attachments you may send us, and any other information you may choose to provide.

How do we use your information?

We use the information we collect in various ways, including:

- Provide, operate and maintain our website
- Improve, personalize, and expand our website
- Understand and analyze how you use our website
- Develop new products, services, features, and functionality
- Communicate with you, either directly or through one of our partners, to provide you with updates and other information relating to the website, and for marketing and promotional purposes
- Send you emails
- Find and prevent fraud.

Who has access to your information?

The 'How is your information used?' section describes circumstances in which other parties may be given access to your data.

Employees of PADMO Consulting will have access to your personal data where it is needed to carry out a specific task.

We may also share your data with third parties for them to market their own products and services to you, where you have consented for us to do so.

To help us understand the impact of our advertising campaigns, find individuals like you who may be interested in our products, and contact you with marketing and other communications, we may share some personal information with social media and online advertising providers. They can match this to information about you that they already have themselves through your use of their services. Social media companies that may provide services for us include Facebook, LinkedIn, Instagram, Google, YouTube, and Twitter. Our lawful basis for sharing the information and contacting you in this way is legitimate interests, as such, you can object at any time, but we will not ask you to opt in or consent. You can also change the permissions with your social media company which will prevent them from showing you our communications.

Third-Party Privacy Policies

BREIZH.pl Privacy Policy does not apply to other advertisers or websites. Thus, we are advising you to consult the respective Privacy Policies of these third-party ad servers for

more detailed information. It may include their practices and instructions about how to opt out of certain options.

You can choose to disable cookies through your individual browser options. To know more detailed information about cookie management with specific web browsers, it can be found on the browsers' respective websites.

Your choices and rights

You have a right to access the personal data we hold about you. You may ask us to rectify or erase the personal data we hold about you or to restrict the processing we carry out. You can also object to the way we are processing your personal data.

To submit a question about the way we process your data or to enforce your above rights please contact rdebure@gmail.com with your request.

Log Files

BREIZH.pl follows a standard procedure of using log files. These files log visitors when they visit websites. All hosting companies do this and a part of hosting services' analytics. The information collected by log files includes internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.

Cookies and Web Beacons

Like any other website, BREIZH.pl uses 'cookies'. These cookies are used to store information including visitors' preferences, and the pages on the website that the visitor accessed or visited. The information is used to optimize the users' experience by customizing our web page content based on visitors' browser type and/or other information.

Children's Information

Another part of our priority is adding protection for children while using the Internet. We encourage parents and guardians to observe, participate in, and/or monitor and guide their online activity.
